

## **BOLINAS LAGOON ADVISORY COUNCIL RESOLUTION HONORING DAPHNE HATCH**

**WHEREAS**, since 1992 Daphne Hatch has capably, dependably, and conscientiously served on the Bolinas Lagoon Advisory Council and the former Bolinas Lagoon Technical Advisory Commission; and

**WHEREAS**, Daphne Hatch has taken a leadership role with the Bolinas Lagoon Advisory Council and the Bolinas Lagoon Technical Advisory Council; and

**WHEREAS**, during her tenure of service to Marin County, Daphne Hatch has worked successfully and imperturbably to address some of the most challenging policy issues related to the protection, restoration, and management of the Bolinas Lagoon Open Space Preserve, all the while exhibiting fairness, sound judgment and "grace under pressure"; and

**WHEREAS**, Daphne Hatch, ever striving to protect and enhance natural resources, helped to identify the North End Project as a priority project for the restoration of Bolinas Lagoon; and

**WHEREAS**, Daphne Hatch has brought humor, passion, and guidance to the Bolinas Lagoon Advisory Council's work and;

**WHEREAS**, Daphne Hatch has passionately and professionally represented the interest of the Golden Gate National Recreation Area;

**NOW, THEREFORE, BE IT RESOLVED** from this day forward that the Bolinas Lagoon Advisory Council and Marin County Parks staff do hereby thank Daphne Hatch for twenty years years of dedicated service, leadership, and vision in support of the stewardship of the Bolinas Lagoon Open Space Preserve. We look forward to her continued role as a private citizen advocating for the protection of fish, wildlife, and plant habitat.
