

Marin County IPM Achievement Award Nomination Form

The Marin County Integrated Pest Management Commission recognizes individuals and organizations that demonstrate innovation, knowledge, skill, leadership, inspiration, and / or courage in pursuing new systems of pest management that result in reduction in pesticide use within Marin County. The Commission may recognize up to two individuals and / or organizations per year that meet the eligibility and selection criteria.

You can nominate a candidate (individual or organization) by filling out and submitting this form. The eligibility requirements for nominees are:

- Marin County staff, contractors, volunteers, community leaders, commercial property owners, schools, non-profit organizations, landscape workers and pest control applicators, retailers, residents
- Demonstrated sustained actions and / or efforts for a minimum of two years
- Has not been a recipient of the award within the last three years

The completed form should be sent to Jim Chayka, Marin County Parks Superintendent. The deadline for nominations for the 2018 awards is September 1, 2018.
