IPM Volunteer Report Highlights—2015 Fourth Quarter Report

Volunteers worked to install native plants at Hal Brown Park at Creekside on December 12th.

Volunteers work to install native plants and restore habitat at Aramburu Island. Marin County Parks partnered with Richardson Bay Audubon Center and Sanctuary for 3 successful volunteer planting events in December.

“Planting season” kicked off with a bang as 44 volunteers installed 275 native plants at Hal Brown Park at Creekside on November 14th 2015.

McNearns Beach Volunteer weeding, sheet mulching, arbor mulch installation
