FUTURE SUPPORT

ADDITIONAL FEEDBACK

- Appreciate County Parks and Parks team
- Continue and increase focus on fire prevention and vegetation management
- Concern about farmland preservation program; alter to fund additional types of projects
- Concern about long-term cost of acquiring more land and the costs of managing new parks and preserves
- Increase bicycle accessible trails and places to walk dogs
- Enforcement of bike and dog rules
- New pickle ball courts funded by Measure A and adding more courts

OFFICE HOUR THEMES

- Appreciate work funded by Measure A since 2012 and want funding to go on
- Continue focus on fire prevention; interest in a dedicated allocation for vegetation management in preserves
- Concern about farmland preservation allocation; support for changes (i.e., reduce allocation, fund more types of projects like carbon farming, expand RCD stewardship opportunities)
- Mixed feedback about land acquisition allocation (concern about short and long-term costs); others want to maintain existing allocation to fulfill historic conservation goals for trail connectivity and habitat protection
- Address systemic inequities and increase benefits of and access to parks by marginalized communities (community grants, guided events, partnerships)
- Maintain existing Measure A funding for cities and towns
